## SUMMARY

Recent computer science graduate with a solid foundation in computer science concepts and programming languages acquired through coursework at University of Mumbai.

Proficient in Python, java, c#, HTML, CSS, JavaScript, with a passion for problem-solving and a strong desire to learn and grow in the field. Completed few projects that demonstrate practical skills in building webservices. Excited to apply my knowledge and dedication to contribute as a Application Engineering in industry.

Strong team player with excellent communication skills and a commitment to continuous improvement.
